- Goal is to provide project clearinghouse for NY libraries, archives and museums.
- NYProjectShare website is currently in beta – task group determining how to move forward with it.

Staffing Innovations - I2NY initiative
- Updated competency lists such as WebJunction’s new competency list and Syracuse University’s i-School Guiding Council document.
- Develop NY 3Rs CE program to address these competencies.

Empire Archival Discovery (EAD)
- Centralized finding aid repository for NY.
- Phase 1 complete – 250 finding aids loaded on test site; work continues to ensure the site meets the needs of NY repositories.
- Three categories of institutions defined: Type 1: Research libraries and liberal arts institutions with a robust EAD presence and in-house capability; Type 2: Small to medium-sized institutions including larger public libraries & public library systems; Type 3: small libraries & historical societies.
- Seeking funding for technical enhancements to EADitor and training for smaller institutions.
Library Assessment and Return on Investment

- **Flipped on Assessment**, an in-person CE workshop was held at NYLA, drawing over 20 librarians from all types of libraries.
- A webinar series launched on April 30, offering programs for all types of libraries & including a "digging deeper" component where participants can continue the discussion and learning. Topics to be explored include qualitative measures used in libraries, survey design, how to conduct effective focus groups, data-driven decision making, data visualization and communicating outcomes. Each session will be 1 to 1.5 hours in length. The learning outcomes include:
  - Obtain an overview of current library assessment practices in different types of libraries.
  - Acquire hands-on experience in the development of assessment activities and materials.
  - Develop an assessment skill set.
  - Identify opportunities for collaboration and continuing professional development.

- The in-person partnership opportunity with SCLD has been moved to October as per SCLD’s request.
- A collaborative pilot project Re: data sets that are already collected will be explored at the I2NY summit in May.
- The assessment LibGuide is under development by the Repository & Resources group.

ADVOCACY

Advocacy

- 5.8% increase in state funding for 2015-16. Across the board partial restoration for funding lost since 2008 recession. Increase will be across board including programs of NY 3Rs as well as CCDA funding and Conservation/Preservation.
- Continuing effort with lobbyist to get message “Libraries are education” – push to make Library Aid = Education Aid increase each year.
- Address issues of particular importance to academic libraries: digital literacy; open textbook; tax-payer access to publicly funded research.
